

## King Edward VI College – Equipment list 2020/21

Subject	Equipment
General	<p>A4 lined note paper Pens Pencils Sharpener Rubber Highlighters Pencil case (clear plastic ones can be used in exams) Folders (A4 lever arch) Dividers Plastic wallets</p> <p>Electronic devices are recommended for web based research, producing written materials and presentations and for opening documents sent to you by teachers. The choice is up to you in terms of operating system (Google/iOS/Windows) and device (desktop/laptop/tablet). Many of you will already have access to a device and so there is no need to purchase a new one if it worked for your GCSE courses. In addition, there are many computers for you to use at College, along with printers and access to WiFi.</p> <p>We recognise that not everyone can afford devices or internet access – there is a Bursary fund available for students facing financial hardship. Details can be found here: <a href="https://www.kedst.ac.uk/college-info/finance/financial-support/">https://www.kedst.ac.uk/college-info/finance/financial-support/</a> Alternatively, speak to your Personal Tutor as College may be able to loan you a device for the period of remote working.</p>
Accounting	Standard scientific calculator and ruler
Art	<p>You will be offered the 'starter pack' for £25 when you begin the course. This will have the required sketchbook and other materials.</p> <p>You may find it useful to have a digital camera or purchase some lenses that fit to your phone.</p>
Biology	Lab coat*, standard scientific calculator and ruler
Chemistry	Lab coat*, safety glasses, standard scientific calculator and ruler
Dance	<p>No specific dance uniform. Comfortable clothes to dance in. Tight enough so that tutors can see the alignment of the body. Many wear leotard and tights but this is not compulsory, equally many dancers will wear leggings and vest tops.</p> <p>A dedicated journal for choreography class. Plain or lined, no smaller than A5.</p>
Geography	Standard scientific calculator, ruler and clipboard
Mathematics	Graphical calculator Casio fx-9860GII and ruler
Physics	Standard scientific calculator and ruler
Statistics	Graphical calculator Casio fx-9750GII or Casio fx-9860GII (have a look at <a href="http://www.studentcalculators.co.uk">www.studentcalculators.co.uk</a> )

\*The same lab coat can be used for multiple subjects
