Governance Procedures 2023/24

1. Overview and Purpose of the Standing Orders and Terms of Reference

These Standing Orders and Terms of Reference have been produced for use by the Trust which lay down current policy with regard to the Trust's accountabilities.

The Trust must follow its Articles of Association which sets out the framework the Trust operates within. The Standing Orders set out the Trust's operational arrangements within the framework of the Articles of Association, DfE Academies Financial Handbook and applicable law.

The Standing Orders should not replicate the Articles of Association which will be adhered to at all times.

2. Hierarchy and Membership of the Trust

In accordance with the DfE Academy Trust Handbook the Trust shall comprise of at least three but seeks to have more than five Members.

The Trust shall comprise of not less than three (3) but not subject to any maximum in accordance with Article 45 and up to eighteen (18) in accordance with Article 50. This shall include the CEO as an ex-officio Director. Trustees may appoint Co-opted Trustees to ensure appropriate skill coverage if considered appropriate.

Each Local Governing Bodies (LGB) shall consist of the Principal/Headteacher, parents, staff, and additional independent Governors.

The Trust will endeavour to ensure that there is an appropriate balance of skills, experience, gender, ethnicity and disability amongst members.

Members of the Trust are responsible for monitoring the membership and for recommending new members to the Trust following consideration of nominations received and liaison with the Search and Governance Committee.

The Director of Governance shall maintain a list of committees upon which Directors serve, membership category and expiry of term in office. These are available for public information.

The Clerk to the LGB shall maintain details of Governors, their membership category and expiry of term in office. These are available for public inspection

Except for the ex-officio member, Directors should not normally serve for more than two terms (or a maximum of eight (8) years) except where subsequently undertaking a new and more senior role, for example as chair. In exceptional circumstances, and at the recommendation of the members, annual extensions may be granted. The term of office

for the initial membership shall be varied thus allowing subsequent membership to be on a 'rolling basis'. In the case of granting annual extensions, these should be evidenced by minutes of Members' meetings showing that the members have considered the Nolan principles which recommend that all re-appointments are made on the basis of merit, subject to the need to achieve a balance of relevant skills and backgrounds on the Trust. Succession planning should be implemented to seek potential Directors or Members to bring the skills required on the Trust and address the requirement for re-appointment beyond two terms in office.

Any member who is a member by virtue of being a member of staff (including the CEO) of the Trust shall cease to be a Trustee or member of a LGB if they cease to be a member of the staff of the Trust and thereupon the office shall become vacant.

Co-opted Directors serve in a non-executive role, with the same duties of Directors defined in the Articles of Association. Their conduct is further defined in these Standing Orders. Co-option to Committees is permitted. Selection and appointment shall be by the Members to strengthen the breadth of experience and skills on the Committee by contributing their professional, specialist and general management skills, and providing an impartial and independent view.

3. Powers and Responsibilities of the Trust

The purpose of the Trust is defined in the Articles of Association (clause 4.a), namely: -

To advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing schools offering a broad and balanced curriculum ("the mainstream Academies") or educational institutions which are principally concerned with providing full time or part time education for children of compulsory school age who, by reason of illness, exclusion from school or otherwise, may not for any period receive suitable education unless alternative provision is made for them (2the alternative provision Academies") or 16 to 19 Academies offering a curriculum appropriate to the needs of its students ("the 16 to 19 Academies") or schools organised to make special educational provision for pupils with Special Educational Needs ("the Special Academies").

4. Induction, Development and Appraisal

The Director of Governance shall arrange induction training for Members, Directors, and Governors (the latter in consultation with Clerks). This shall include meetings with the Chair, CEO and Director of Governance, with an opportunity to arrange meetings with members of the Senior Leadership Team, either of the Trust or, within an academy. This will provide some knowledge about the background to the sector, Trust and its ethos and strategy, information about the academy and the responsibilities of Members, Directors and Governors.

Upon appointment, Members, Directors and Governors shall also be directed to key documents including the DfE's Academy Trust Handbook, the Trust's Strategic Plan, Articles of Association, Standing Orders and Committees' Terms of Reference.

During the first year of appointment informal mentoring shall be offered to provide support and familiarity with the role and responsibilities.

Details of relevant training events shall be circulated. Those who attend training will be invited to give informal feedback to the Board of Directors or LGB to extend the benefit of their attendance. The Trust will normally meet the costs of training events of this nature.

5. Appointment of Chair of Members, Directors, Vice Chairs and Committee Chairs

At the first meetings in each academic year, the Directors and Governors shall elect a Chair and Vice Chair for the Board of Directors and LGBs from among their number. To encourage succession planning and support this process, Members, Directors and eligible Governors shall be given an opportunity to express interest in chairing positions on an annual basis. To ensure a democratically healthy process for appointments, the Director of Governance and Clerks shall write to Directors and Governors inviting expressions of interest or nominations to the posts of Chair and Vice Chair for the following academic year. If more than one nomination is received, the Director of Governance and Clerk will contact nominees before organising a secret ballot for Directors and Governors to make their selection. Each Committee shall elect a Chair in accordance with the terms of reference and rules established for that Committee.

The term of office for the Chair and Vice-Chair shall be one year. The Chair and Vice-Chair retiring at the end of their respective terms of office shall be eligible for re-appointment.

The CEO and staff shall not be eligible to be appointed Chair or Vice-Chair of the Trust or an academy.

The Chair or Vice-Chair may resign their office at any time by giving notice in writing to the Director of Governance. The procedures outlined above will be followed for appointment to the relevant post(s).

In the event that the Chair or Vice Chair should resign or be removed from office, the Directors shall appoint another member as the Chair or Vice Chair at the first meeting following their resignation or removal from office.

If no expressions of interest are received and no one is willing to put themselves forward; it would be necessary to recruit a Chair from outside. The Chair or Vice Chair working with the Director of Governance or Clerk would be responsible to oversee the succession process including advertising, shortlisting and selection of a Chair in consultation with the Vice Chair and Committee Chairs. A recommendation would be presented to the Trust to approve such an appointment.

Prospective Chairs and Vice-Chairs should be given the opportunity to chair a Committee of the Trust or LGB, if they do not already do so, so that they gain experience in chairing meetings.

6. Expectations from Members, Directors and Governors

Members, Directors and Governors are required to sign up to and follow the Code of Conduct adopted by MAT Board of Directors. They must sign a declaration of eligibility, declare any interest and any connected party relationships upon appointment and thereafter annually. The Director of Governance and/or Clerk will issue these to Members, Directors and Governors with guidance for completion annually. The Director of Governance and/or Clerk will maintain a Register of Interests and Governors must inform them of any relevant change in their circumstances.

The Code outlines expectations for Members, Directors and Governors which is, in summary: -

- To abide by the seven Nolan Principles of Public Life:
 - Selflessness
 - Integrity
 - Objectivity
 - Accountability
 - Openness
 - Honesty
 - Leadership
- To focus on the core purpose:
 - Strategic leadership: defining a vision, fostering a culture and championing the strategy
 - Accountability and assurance: providing robust and effective oversight of operations and performance
 - Engagement: strategic oversight of relationships with stakeholders
- Apply high standards:
 - Act within our powers
 - Promote the success of the trust
 - Exercise independent judgement
 - Exercise reasonable care, skill and diligence
 - Avoid conflicts of interest
 - Not accept benefits from third parties
 - Declare interest in proposed transactions or arrangements
- Fulfil role and responsibilities
- Demonstrate commitment to the role
- Build and maintain relationships
- Respect confidentiality
- Declare conflicts and interest and be transparent

Members, Directors and Governors should be able to allocate sufficient time to undertake their duties effectively. As a minimum, sufficient time to attend and prepare for meetings ensuring that they can make an effective contribution.

Members, Directors and Governors should individually take a view on each matter discussed and are encouraged to contribute proactively to meetings as advocates to the

Trust, bringing their knowledge and expertise, supporting and challenging the executive and putting student interest first.

Members, Directors and Governors are encouraged to ensure individually and collectively they have or acquire sufficient understanding about the Trust and educational landscape to be fully engaged in affairs of the Board. Requests for training should be made to the Director of Governance or Chair.

The Trust operates by members taking majority decisions at quorate meetings. Therefore, a decision of the Trust, even when it is not unanimous, is a decision taken by the members collectively and each individual member has a duty to stand by it, whether or not they were present or agreed with it when it was taken.

If a Member, Director or Governor disagrees with a decision they may request that their disagreement be recorded in the minutes.

Members, Directors and Governors shall not be bound in their speaking or voting by mandates given to them by other bodies or persons, but act in the best interests of the Trust at all times. They should act with honesty, frankness and objectivity, taking decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Members and Directors should actively support equality and diversity in the Trust.

There is an expectation that Directors will attend at least one meeting of an LGB within the Trust annually. The Director of Governance will encourage Directors to attend LGBs and ensure even attendance by Directors to the LGBs during the year.

The Director of Governance shall maintain a register of Members and Directors' interests which is open for public inspection. Members and Directors are invited to disclose annually to the Trust all business interests, financial or otherwise, which they or (so far as they are aware) their spouses, partners, children or other close relatives may have, for entry on the register. Members and Directors should inform the Director of Governance whenever their circumstances change and interests are acquired or lost.

Directors shall be requested to complete an entry of their skills periodically. The Director of Governance shall manage this and prepare a matrix showing all skills of the Trust. This information shall be used when making appointments to the Trust.

Unless otherwise agreed by the Trust in individual circumstances statements on behalf of the Trust will only be made by the following:

- CEO or their representative
- Chair or Vice Chair of the Trust
- Director of Governance

It is the Director of Governance to the Trust's responsibility to conduct all correspondence in consultation with the Chair and CEO on behalf of the Trust.

It is unethical for Members, Directors or Governors to publicly to criticize, canvass or reveal the views of other members which have been expressed at a meeting of the Trust, its Committees or LGBs.

Members and Directors are asked to give the Director of Governance as much notice as possible of the fact they will be unable to attend a meeting. This arrangement has two purposes. Firstly, it enables the apologies for absence to be registered at the meeting. Secondly, it will enable the Director of Governance to judge if the meeting will be quorate.

7. Unable or unfit to serve as a Member, Director or Governor

Any question as to whether or not a Member, Director or Governor on a Local Governing Board may be unable or unfit to discharge their functions of the Trust must be referred to the Chair of the Trust, Chair of Members, Vice Chair, CEO or Director of Governance who shall take appropriate action in accordance with Articles 14-16 and Articles 65-80

If it is considered that the matter raised should be pursued, they must decide if a preliminary informal meeting should be arranged with the individual concerned, prior to initiating an investigation and agreeing how this should be carried out.

The Chair or Vice Chair shall decide if other Directors or Members should be notified of the situation and call a special meeting of the Members to consider the matter and the option to remove the Director or Member from office on the grounds that they are unable or unfit to serve as a Trustee or Member. The Director of Governance shall be responsible to arrange a special meeting, providing seven days' notice.

The Director or Member concerned shall be given a minimum of seven (7) clear days' notification of the special meeting and of the charge that they shall be called on to answer. The particulars set out in the notice should be sufficiently explicit to enable the governor or member to understand the charge to be answered and to prepare their own case. A lack of detailed specification may be held to be immaterial if the trustee or member concerned is, in fact, aware of the case against them, or if the deficiency does not cause any substantial prejudice.

The Director or Member concerned will be given an opportunity to reply to the complaints made against them and to make representations either in writing or at the meeting. If the Trust is considering removing more than one Director or Member, each case should be dealt with separately.

The normal way of voting will be by a show of hands. A secret ballot may only take place if the majority of the members present, who are entitled to vote on a particular issue, consider it necessary.

The Director of Governance/Clerk will aim to circulate draft minutes of each meeting to members and senior officers who were present at the meeting as soon as possible.

10. Chair's actions between meetings and delegated powers

The information supporting the request should include the rationale for the request and the effect on reserves. The relevant board committee should receive the same information alongside the rationale for the Chair's decision via email as soon as possible after the event.

Chair's actions should only be used in exceptional circumstances.

11. Summary role of the Chair of the Trust

The Chair leads the Board of Directors, with the support from the Vice Chair, to ensure it fulfils its functions. The culture of the Board is largely determined by the Chair. The Chair will ensure the Board focuses on strategy, while not overlooking compliance functions nor duties to staff.
