inc Environmental / Green Careers

Teaching

Alternatives to University *(see separate overview for more info)*

Each of the pathways above will provide:

- ❖ An Introduction to the Pathway via Screencast
- ❖ Launch meeting with an industry expert – Autumn Term year 12
- ❖ Enrolment on a bespoke MS Teams channel to keep up-to-date with opportunities and support that is available for the chosen career sector
- ❖ Targeted work experience opportunities in industry specific areas and taster days
- ❖ Opportunity to attend Speaker Series talks (both online and in person) from employer, industry experts and universities
- ❖ Tailored support available for the career area including:
 - Mentoring
 - Careers advice and guidance and progression support
 - University application support
 - Access to university schemes / summer schools etc
 - Apprenticeship Opportunities

How to sign up

Enrolment on the above pathways will be via the Portal during the enrichment sign up window in September - October. Students can also request to be added onto the Pathways throughout the year by emailing careers@kedst.ac.uk

Students will then be placed on the MS Teams channel and assigned a course module on Portal and will receive targeted emails, talks and opportunities etc.
